

# Happy Valentine's Candle Mat

## Materials

1 each of red and white felt squares  
42" - 5/8" pre-gathered lace  
Scraps of pink, red and purple felt  
Matching thread  
Fusible web

## Directions

1. Cut out red and white backgrounds and trace hearts onto fusible web. Iron hearts on colored felts. Cut and iron in place

Hint: Iron needs to be hot to adhere felt to felt

2. Applique hearts onto white felt background using blanket stitch and matching thread, hand stitch or machine.

3. On red felt baste lace 1" from edge.

4. Set the finished white background in different places on the red to find the best fit and mark the red and white with a pin for placement.

5. Iron some strips of fusible web to the back of the white and iron the white background to the red, pin the scallops to help secure.

6. Blanket stitch in place using red thread for a contrast. The white should overlap the lace by about 1/4".
