# Vintage Bells Ornament

# *Vintage Bells Ornament*

Size 5.5" X 6"

## **Wool applique**

All applique patterns are already reversed. Trace all pieces to the paper side of fusible web. Cut around pieces. According to the manufacturer's directions, iron each pattern on the appropriate colored wool pieces, paper side up. Let cool. Cut pieces on tracing lines. Refer to the pattern layout sheet and the photo to fuse to the background or foundation piece. Matching the wool fabric colors, use 3 strands of embroidery floss or one strand of perle cotton, blanket stitch the wool pieces to the foundation piece.

## **Finishing**

Backstitch holly leaves using 3 strands green floss or 1 strand perle cotton. (Indicated on layout)

Sew red #6 seed beads as indicated on the layout page.

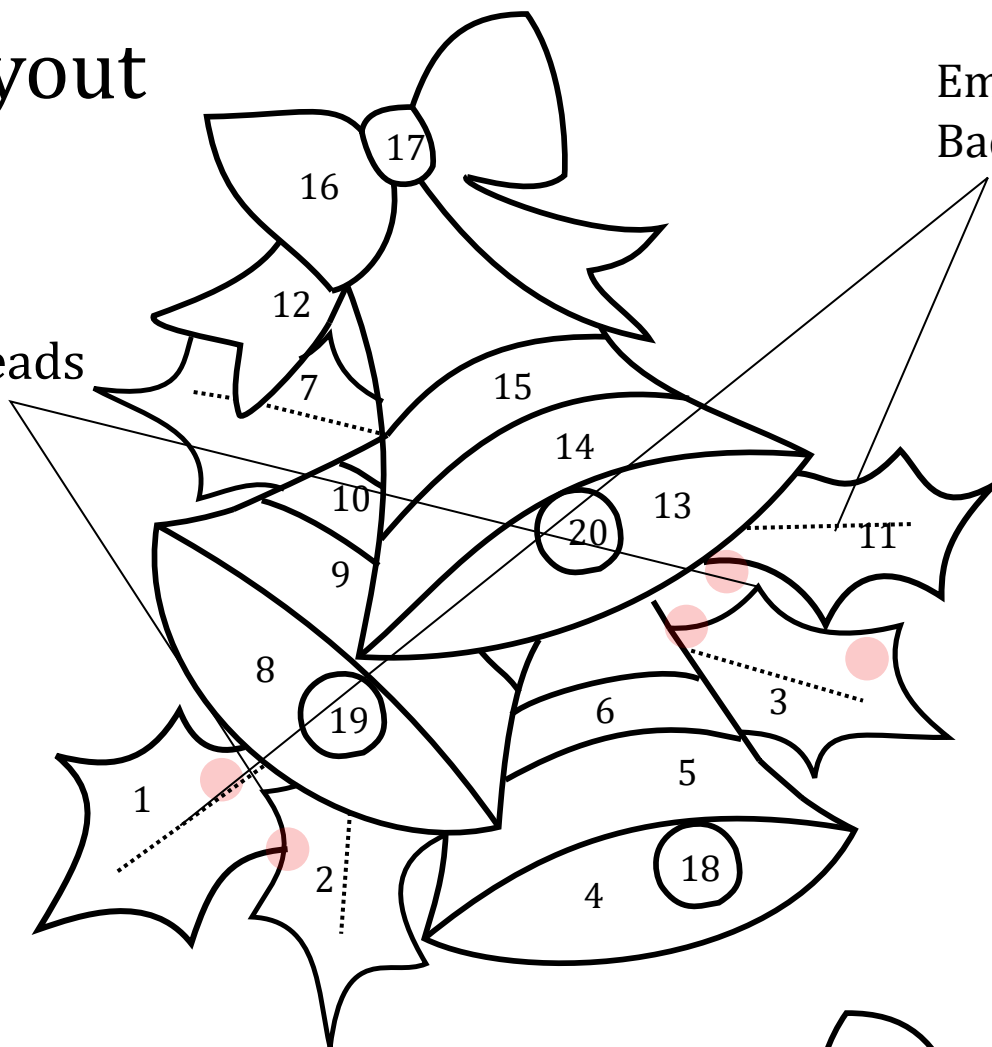

Fuse the appliqued ornament front to the wrong side of flannel square. Trim wool and flannel together, about 1/4" around the appliqued bells.

Using a large eyed needle threaded with a 14" piece of red perle cotton or red floss, stitch from front to back at the top of the bells. Tie the ends together to make the hanger.
